

Charlene's Angels Newsletter January 2025

Month in Review As January comes to a close, it's incredible how swiftly time has passed! Our clients have thoroughly enjoyed outings to Chuck E. Cheese and Dave & Buster's, immersing themselves in all the games. They also had a great time watching Sonic the Hedgehog 3 at Cinemark Movie Theater. Mondays and Tuesdays are reserved for bowling at Hi-Way Lanes, while Thursdays keep us active at Mount Pleasant Community Life Center with basketball, exercise equipment, and track walks. Mary S. leads Zumba sessions three days a week; on the other days, our clients get their workouts done in the classroom. They remain active members of the community, continually improving their daily living skills. Shopping trips provide valuable lessons in making purchases and handling money. On Tuesdays, our Cup of Grace team whips up delectable treats, which are served with delicious drinks on Wednesday mornings. Thursdays are dedicated to karaoke in the gym, a highlight for everyone, especially when Gramps visits! We observed MLK Day on January 20th and spent the days leading up to it learning about the holiday. Throughout the month, our clients have been busy with various arts and crafts projects. Despite the cold weather, we're constantly on the move, seizing every opportunity to learn and have fun!

Please text us to report client absences, such as doctor appointments or vacations, or if your client will be coming in or leaving early. Two weeks' notice of vacations is mandatory so we can plan staff accordingly. Thank you!
