

Charlene's Angels Newsletter February 2025

Month in Review February is nearly over, and what a month of fun activities it has been! Our clients learned about and celebrated several holidays, including Valentine's Day, President's Day, and Black History Month. For Valentine's Day, they whipped up heart-shaped sugar cookies and cupcakes. They even participated in a fun and educational Valentine's Day science experiment involving Valentine Conversation Hearts. Ask them about it! Our clients actively learn daily living skills, such as preparing simple snacks and treats. They cut up apples and other fruits and veggies for their afternoon snacks. We're always delighted when Gramps joins us on Thursdays for karaoke. The clients get so much joy from singing and dancing! The clients who work at Cup of Grace continue to whip up delicious treats and serve them with drinks on Wednesdays. We can't thank everyone enough for coming out to support them! Exercise is a daily occurrence here—either in the classroom or in the gym. Our clients also visit the Mount Pleasant Community Life Center to play basketball, walk the indoor track, or work out on the exercise machines. We continuously work on daily life skills, social skills, client goals, and more!

Please text us to report client absences, such as doctor appointments or vacations, or if your client will be coming in or leaving early. Two weeks' notice of vacations is mandatory so we can plan staff accordingly. Thank you!
