

Charlene's Angels Newsletter April 2025

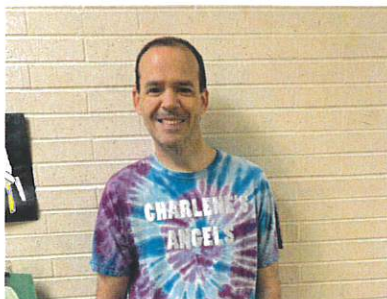

Month in Review : April was an action-packed month filled with fun and excitement! Our clients enjoyed a variety of outings, from visiting Chuck E. Cheese and playing miniature golf at Otte Family Fun Park to spending time at local parks. Several times a week, they headed to Mount Pleasant Community Life Center to play basketball and volleyball, exercise on the machines, and walk the indoor track. We were thrilled to host not just one, but two food trucks this month! Early in April, Amy's Ice Paradise stopped by, treating our clients to delicious shaved ice drinks—a refreshing treat! Later in the month, Donut NV came around, offering an assortment of donuts paired with their signature lemonade. A huge thank you to both for visiting! Staying active is a priority, and our Zumba classes, held three times a week, keep our clients moving and energized. Music class is a weekly favorite every Thursday—watching everyone sing and dance is truly a joy! Meanwhile, our Cup of Grace crew continues to craft delicious treats and drinks. Every Wednesday morning, you can find them in front of Southland Community Church—be sure to drop by and say hello! Weekly, the clients are given opportunities to make purchases and engage with the community. In the classroom, creativity flourishes through crafting projects, while discussions cover important topics such as hygiene, social skills, language, and math. There's never a dull moment here—each day brings something new, exciting, and engaging!
