

## Charlene's Angels Newsletter May 2025

**Month in Review:** Our clients had an action-packed month, full of exciting outings and meaningful activities!

They went to the movies to see Minecraft and had an unforgettable adventure at the Indianapolis Zoo. Laughter was in abundance during multiple visits to Chuck E. Cheese, while rounds of miniature golf and explorations of Greenwood's local parks kept everyone active and engaged with nature. One of their favorite spots is the Mount Pleasant Community Life Center, where they stay moving by playing basketball, walking the indoor track, and using exercise machines—volleyball is another big hit! Beyond staying physically active, our clients venture into the community to apply their money skills in local shops, reinforcing valuable classroom lessons. Daily movement is always a priority, whether through lively Zumba sessions or fun exercise videos in the classroom. Thursdays bring a musical highlight as Gramps joins our Music Class. This month also featured an important fire drill practice, where our clients demonstrated excellent safety skills while exiting the building. The Cup of Grace crew has been busy whipping up delicious treats and drinks on Tuesdays—be sure to stop by Wednesday mornings between 9:30 and 11 a.m. to enjoy their creations! Classroom learning continues with a strong focus on language, social development, and daily living skills. As May wrapped up, our clients took time to learn about Memorial Day. For the latest updates, visit our website and Facebook page—we can't wait to share more!
