

Charlene's Angels Newsletter July 2025

What a month—just wow! We filled our days with nonstop excitement and meaningful learning. From the thrill of blockbuster movies to strikes and spares at the bowling alley, gaming galore at Chuck E. Cheese, delicious bites at Culver's, high-energy fun at Rascal's Fun Zone, and hole-in-one adventures at Otte Family Fun Zone... we were on the move and loving every second! But the magic didn't stop there. Every day, moments became extraordinary experiences—exploring local parks, mastering shopping trips, and building life skills with confidence and independence. Zumba sessions and upbeat exercise videos kept us moving and grooving, while our weekly music class remains a crowd favorite—especially when friends join in for some musical magic! Inside the classroom, we're all about connection, creativity, and laughter as we grow social, language, and math skills. Every day has purpose and positivity. We're beyond grateful for our incredible team and amazing clients—YOU are the heart of this community. Together, we're building a program overflowing with growth, joy, and unforgettable moments.
