

Charlene's Angels Newsletter February 2026

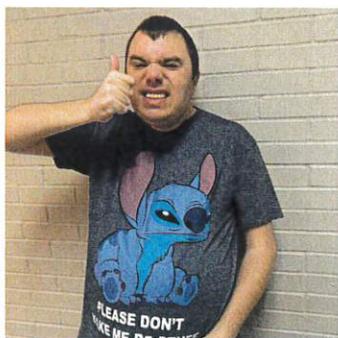

February may be the shortest month, but it's determined to pack in the most excitement! We kicked off the month with bowling at Hi-Way Lanes and enjoyed some fantastic films at the movie theater. Our visits to the Mount Pleasant Community Life Center kept us moving—shooting hoops, working out on the machines, and walking the indoor trail. And of course, we treated ourselves to some delicious meals at places like Chili's, Brozinni's, O'Charley's, and Bubba's. Out in the community, we weren't just having fun—we were learning, too. We practiced using money, checking our change, and purchasing the items we need for daily living. Because balance matters, we made sure to sprinkle in plenty of fun. Dave & Buster's and Chuck E. Cheese gave us all the gaming excitement we could handle. Back in the classroom, every day begins with prayer and gratitude—because we truly have so much for which to be thankful. From there, we dive into social skills, language development, fine motor practice, and movement. Whether it's Zumba, dance class, or an exercise video, we make sure our bodies stay as active as our minds. If it sounds like a lot to fit into one month, that's because it is. There's really no program quite like ours. What we're building together goes far beyond a schedule of activities—it's a community where every person is seen, valued, and celebrated.
