

Charlene's Angels Newsletter January 2026

Winter may be swirling around us with chilly air and sparkling snow, but we're still embracing every moment with joy and enthusiasm. We cozied up at the movie theater with heart-warming films and cheered each other on during lively bowling games. Friendly competition kept the fun rolling at Chuck E. Cheese and Dave & Buster's, and delicious lunches at Brozinni's, Chili's, and Bubba's nourished both our bodies and our spirits. Our adventures took us to the Indianapolis 500 Motor Speedway Museum for a couple of exciting days, followed by a fantastic afternoon at the NCAA Hall of Fame—perfect timing before the big Football National Championship. Shopping outings became empowering moments to build confidence and independence. Zumba classes filled us with energy, weekly music sessions kept us connected through rhythm and song, and morning dance classes with our new volunteer added an extra spark to our days. In the classroom, imagination took center stage as students explored new ideas and strengthened their social, language, and math abilities. Beyond the classroom walls, the Cup of Grace coffee cart remained a meaningful, hands-on space where everyone could practice real-world skills. What we're building together isn't just a program—it's a place where people feel seen, valued, and celebrated. Thank you all - staff, clients, & family, for filling this community with heart, hope, and a spirit that lifts us all. Together, we're creating something beautiful—moment by moment, hand in hand.
