

Charlene's Angels Newsletter March 2026

March is roaring in with all the energy of a lion—and we're hoping it tiptoes out like a lamb by the end! This month, we had weekly trips to Hi Way Lanes for bowling, and we saw some fantastic movies at our local theater. Our trips to the Mount Pleasant Community Life Center kept us active and energized. We had some delicious meals at spots like Bubba's, Chili's, O'Charley's, and Golden Corral. Douglas MacArthur Elementary welcomed us for their Disability Awareness celebration, and we had an incredible time connecting, learning, and sharing. Our time in the community gave us valuable hands-on learning. We worked on practical skills such as using money, checking our change, and buying the things we need. Our visit to Dave & Buster's was packed with action—games everywhere and fun around every corner. Once we're back in the classroom, our day begins with prayer and a gratitude check-in—it sets a positive tone for everything that follows. Then we roll into social skills, language development, fine-motor activities, and plenty of movement. We pack a lot into each month! This isn't simply a collection of activities—it's a caring community where every person is noticed, valued, and encouraged to grow.

Staff Spotlight

We're excited to welcome Dominic to the team. He joined us about a month ago and has already become a wonderful addition. He enjoys working with our clients and loves taking them out into the community.

Thank you so much, Southland Church, for making it possible for Charlene's Angels to have a home. If you are looking for a new Church, stop by and see them.
