Sweet Summer Vibes : July Highlights

July rolled in with all the sweet summer vibes—bright days, lots of fun, and plenty of warm-weather adventures that kept our schedule full and our spirits high. Weekly bowling at Hi Way Lanes, exercising and basketball at the Mount Pleasant Community Life Center, and delicious meals at Chili's, Culver's, and Bubba's 33 gave us the perfect mix of fun, fitness, and flavorful summer treats. Out in the community, clients continued strengthening their daily living skills such as money management while trips to Dave & Buster's and Chuck E. Cheese kept the summer excitement going strong. We added even more fun with miniature golf at Otte Family Fun Center and relaxing visits to local parks. Our swimmers stayed in full summer mode, starting their mornings with water Zumba, walking the lazy river, floating in inner tubes, and even taking brave leaps off the diving boards. When the days got too hot, we headed to our local theater to stay cool and watch some amazing movies. Active? Absolutely. Our clients pack more movement, joy, and sweet summer fun into a single day than most people fit into a whole week, and July proved it once again.

Swimmers should be ready to swim every day. Keep a bag here with an extra suit and towel just in case.	We're excited to welcome new staff members this month! Be sure to say hello to Andrew and Jacob Hamilton as they join our team.
A heartfelt thank-you to the Zarro family for their generous donation of books and puzzles. Our clients absolutely loved them. We truly appreciate your kindness and support!	At our Parent Meeting this month, Dave thanked everyone who attended and shared an update on how the business is doing. Charlene also discussed the Access Pass, Informed Consent Forms, Constant Contact, and PAC & Respite services. The meeting wrapped up with a short program presented by our Angels.
