A Fresh Fall Start : *September Highlights*

September stepped in with a fresh fall start—cooler mornings, new routines, and a renewed sense of energy as we moved into a new season. Our weeks were filled with bowling at Hi Way Lanes, exercising and shooting hoops at the Mount Pleasant Community Life Center, and enjoying delicious meals at Chili's, Culver's, and Brozinni's. It was the perfect blend of fun, food, and staying active as we shifted from summer's warmth into fall's crisp beginning. We watched some fantastic movies this month as well! It's been a month since we introduced chair yoga, and our group is already building strength, balance, and confidence. Out in the community, clients continued practicing daily living skills like making purchases and counting change. And of course, Chuck E. Cheese and Dave & Buster's remain favorite spots for fun, games, and plenty of smiles. We enjoyed a wonderful afternoon at the Indianapolis Zoo, the perfect chance to see the animals and soak in the start of fall. At the end of September, we visited Tuttle Orchards—a fun and educational day filled with smiles, into September's crisp, colorful days with excitement.

The October Activity Calendar is up on our website.
